Dear Academy Graduate of 1995:

The Board of Trustees, the faculty and staff share with you the pride you must have as you hold in your hands your diploma from The Chicago Academy for the Arts.

We have confidence in you. We know of the dreams that you have for yourselves and we know too the worlds that you will encounter in order to fulfill those dreams. We join you in looking to the future with hope and expectancy.

We hope we have prepared you well for the adversities of challenge and the acceptance of accomplishment. We at the Academy enjoy thinking of ourselves as "better than the best." Please demonstrate to the world what we mean.

Sincerely,

Frank J. Mustari
Headmaster

Dearest Seniors,

It is with great pleasure and honor that I congratulate you- the Class of 1995. Each of you have left a special mark on the Academy and will truly be missed.

Your goals and dreams are now on the way to becoming reality. "A journey of a thousand miles begins with a single step" truly sums up the new path you are all embarking upon. The Academy has served as the foundation to the mountains you will climb. Aim high and always be proud of your achievements. The closeness we have experienced together at the Academy will always be felt even though we will be far away.

You have worked hard, both in academics and in the arts. Rehearsals, auditions, ACT, SAT, math tests and college applications are just a few of the hurdles you have encountered and "survived". Most of all, you have taught each other that a friend is a special gift to be cherished forever. This is perhaps the greatest talent of all. Remember, you'll always be my "little lambs".

CONGRATULATIONS AND GOOD LUCK IN ALL OF YOUR ENDEAVORS!!!!!!

I love you all and will miss you dearly,

Martha (Señorita) Stefaneas, Director of Academics

Our Thanks to The Academy

On June 7, 1995 we faced life on our own without the security of what became to a lot of us, our home-away-from-home, The Academy. We realized that although we counted the days we had left, bragged about finally being free, and made fun of everyone still stuck here, maybe we just weren't ready to leave. If we could only have one more day, go to one more class, hear one more of our friends scream "hi!" on their way up the stairs....but we all know it's gone.

The Academy became such a big part of us: our home, our work, our social lives; these are things we will never forget and we hope to pass on to fellow students now that we've graduated. Take these words as our parting advice: You'll never realize what you have until it's gone so cherish this place, take good care of it, and love it like other's before you. One day you'll realize The Academy can never be replaced.

We'll always have the Academy to visit, teacher's to call, Ms. Gold, our second mom, to remember, and our friends will always be our friends. Things change, like we do, we hope this time in our lives will be cherished and always remembered.

It has been a pleasure to work with the editor, Echo Eggebrecht during the final processes of this book. We hope this yearbook portrays the message it was made with, and will always remind you of our special created "heaven". Seniors! Class of 95' ROCK ON!
