

THE CHICAGO ACADEMY FOR THE ARTS

A MESSAGE FROM THE HEAD OF SCHOOL ::

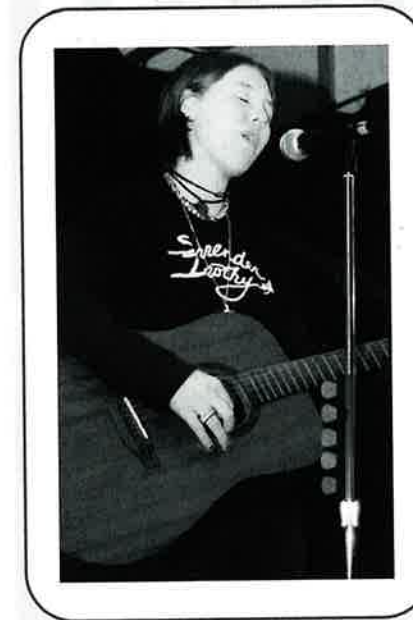

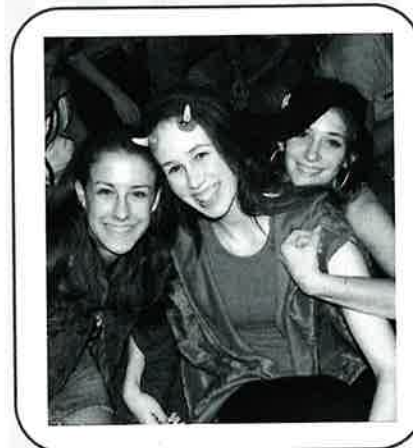

The Class of 2005 has left its distinct and indelible mark in the history of The Chicago Academy for the Arts. These students supported one another by attending concerts, recitals, productions, readings, and art and film exhibitions – not out of obligation, but out of friendship.

The senior class entered the Arts Academy four years ago with an abundance of optimism and the talent to fulfill their dreams. After attending less than two weeks of classes, they witnessed the country's worst tragedy on American soil to date. The events of September 11th brought them together as a class and forever shaped their futures; however, they emerged as compassionate, sympathetic, and considerate human beings. It's no wonder that when the catastrophic tsunamis occurred in Asia this year, Arts Academy students banded together to raise funds for families that were displaced by the tragedy. As well, students from all departments and grade levels worked together this year to raise funds for the Children Affected by AIDS Foundation, Misericordia, and Save the Children USA.

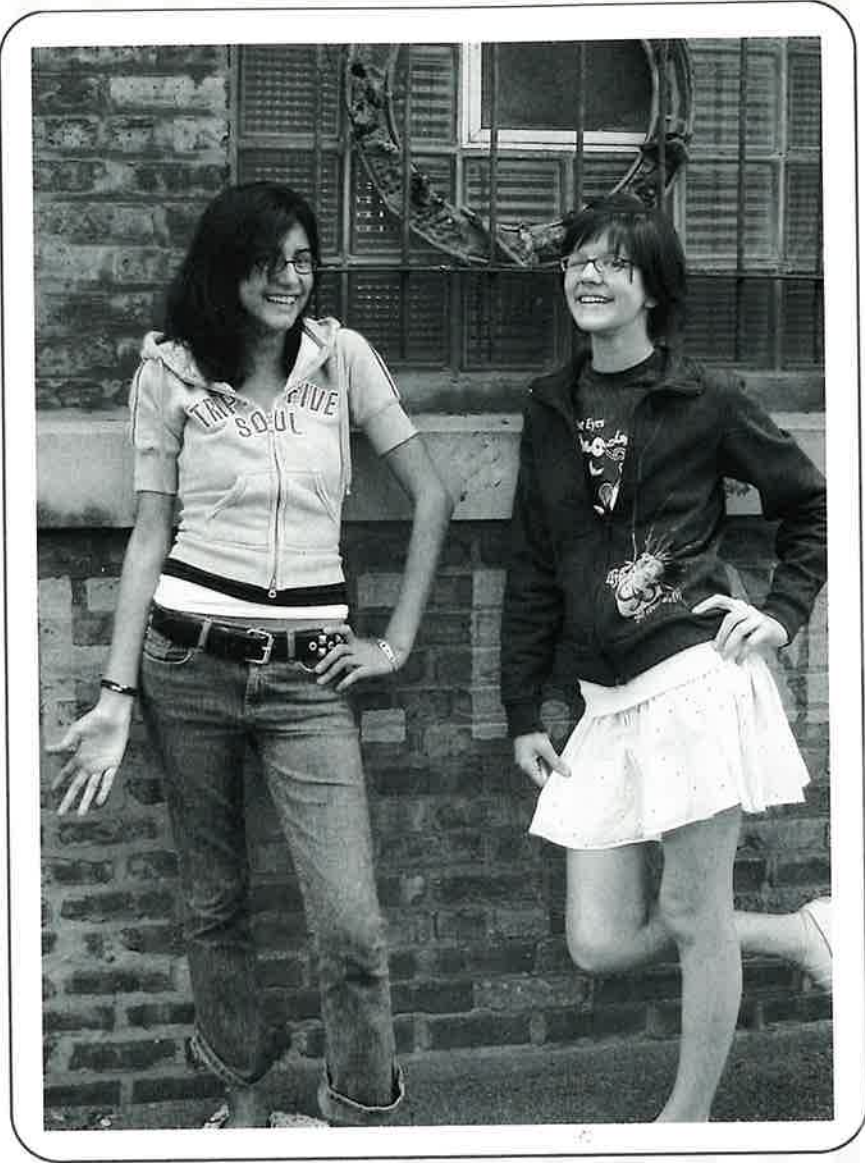

As the Class of 2005 leaves the Arts Academy to build upon bright and promising futures, the trustees, faculty, and staff join me in wishing each of them the best that life has to offer.

Sincerely,
