

The Chicago Academy
for the Arts

2005-2006

The Chicago
Academy for
the Arts

2005-2006

A Message from the Head of School:

Each year, Arts Academy students enter the school with a profound curiosity, an insatiable thirst for learning, and a deep passion for the arts. As Head of School, it's rewarding to see that while students are challenged artistically and intellectually, they continue to foster a competitive yet supportive school environment. This is evident, in part, by their attendance at more than 80 concerts, recitals, productions, readings, and art and film exhibitions presented by art departments throughout the year.

The class of 2006 will forever be remembered for their strong resolve to make a difference both within their school community and the society at large. Their commitment to social justice helped keep the Arts Academy aware and accountable for the global society to which we belong. Through their efforts and leadership, the student body raised much-needed funds to support the *Children Effected by AIDS Foundation* and *Democracy in Action*.

The 2005-2006 school year allowed enriching experiences for the school and our students. Some students traveled to Italy during spring break for the school's first trip abroad in over 10 years. Other students attended the National High School Dance Festival in Miami, Florida where senior dance students were awarded thousands of dollars in scholarships for their post-secondary study.

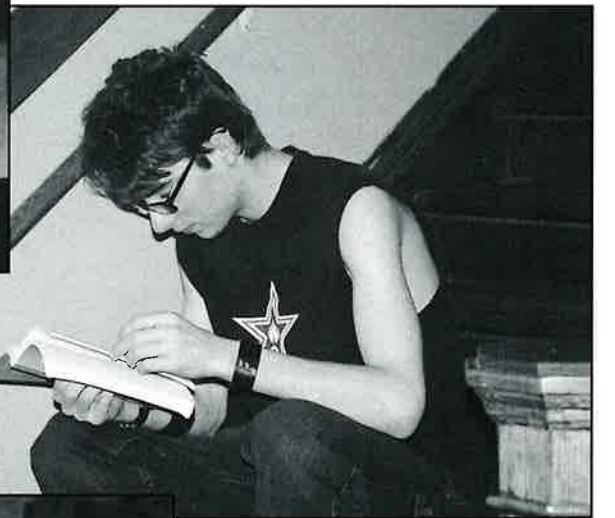

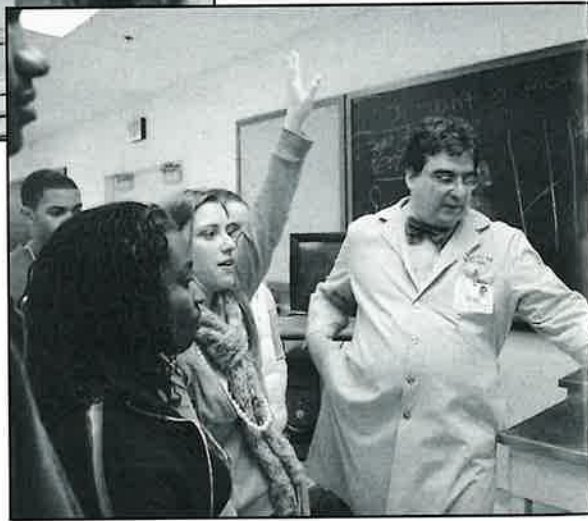

As the school year comes to an end, the trustees, faculty, and staff join me in thanking our students for an outstanding school year and to wish each graduate of the class of 2006 the best that life has to offer.

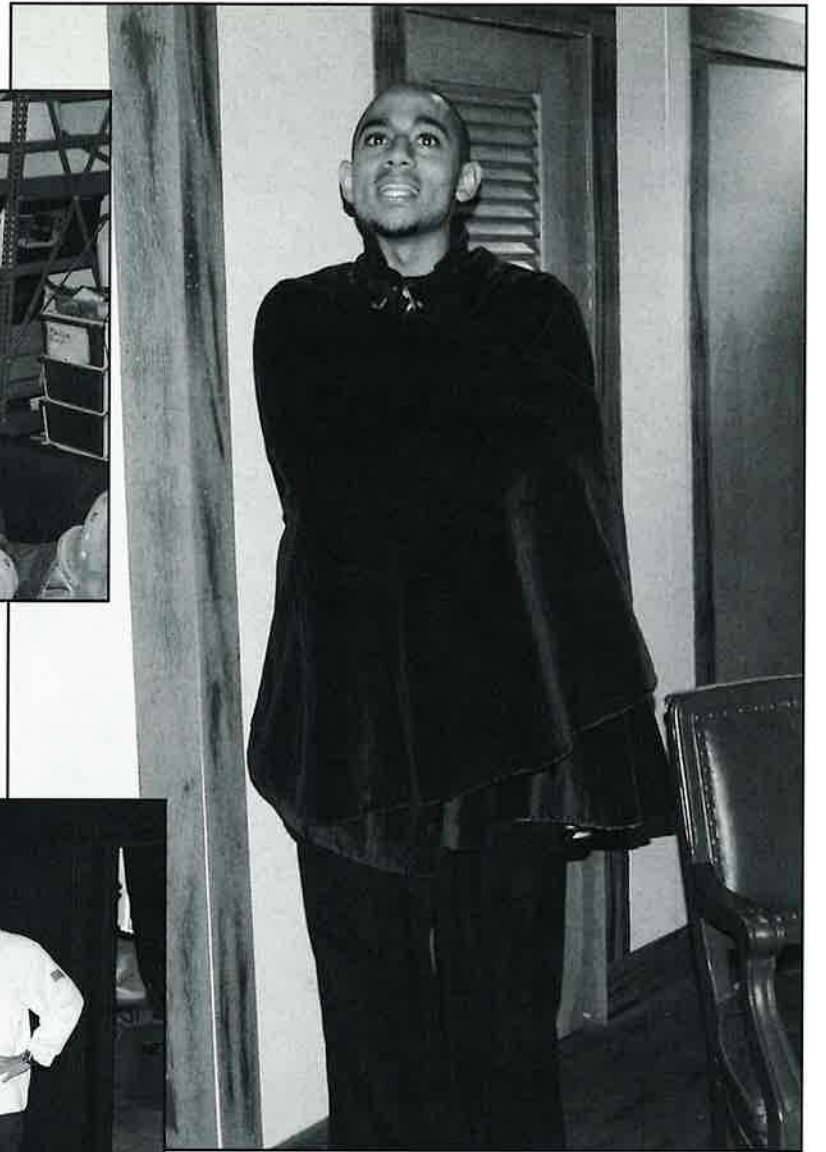

Sincerely,

A handwritten signature in cursive script that reads "Pamela Jordan".
