# A letter from the Head of School

Dear CAA Community,

The 2010-2011 school year had many highlights. Students traveled to School of the Arts (SOTA) in Singapore where they took classes and lived with SOTA students and their families. They attended Collège Saint-Anne de Lachine in Montreal, Canada to perform with other students from around the world including China, France, and South Africa. And right here at home, the CAA Repertory Dance Company had its debut performance on the world-class stage of the Harris Theater.

Bearing witness to our students in these various settings, at home and abroad, is one of the privileges of working at CAA.

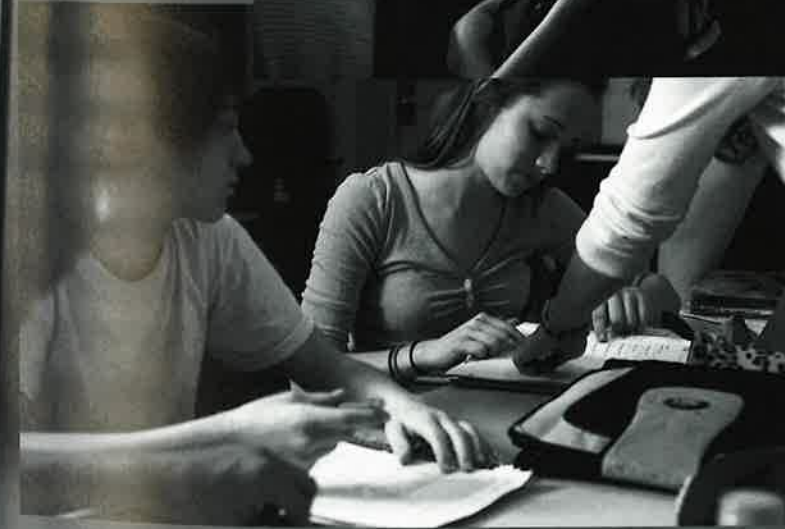

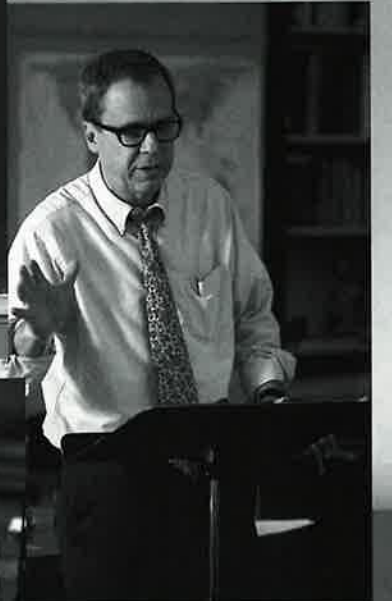

There is something extraordinary about the culture of CAA and the environment that is created within the school community. CAA students are accustomed to attending numerous performances and exhibitions in support of one another. The special talents of our faculty and staff help to create an environment where learning is palpable and human kindnesses are visible every day. Our teachers create safe spaces where students are challenged to reach within themselves to find their unique, creative voices.

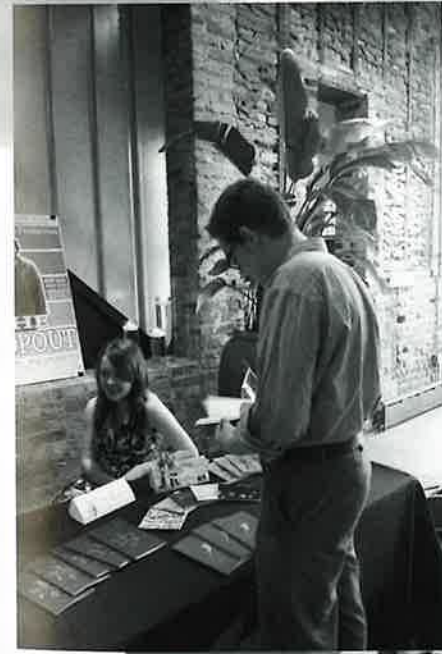

Our graduates are the culmination of the CAA experience. They have allowed us to see their struggles as well as their growth, and they have developed into intellectually inquisitive, creative, and talented human beings.

With the end of the school year, we cherish our memories and bid farewell to the class of 2011. We will miss them, and will forever remember their performances and exhibitions that are indelibly etched in our minds.

Warmly,

Pamela Jordan  
Head of School
